Director U.S. Mint

Dear Sir

I have, from 65 to 70
oz (troy) of metallic silver, ~~in~~ in
a fine state of division, 1000 fine;
it was taken from Photographic
wastes - reduced to Chloride, well
washed, then reduced by zinc
and the zinc carefully and
thoroughly removed

Can I dispose of it
at the mint,? If so what will
it be worth -

If you will ~~re~~ not take it
please give me the address
of some parties who deal in
bullion & oblige yours truly
